CAREER SUMMARY

To work for an organization that provides an opportunity to improve my skills and knowledge, and grow in alignment with the organization's goals. I am committed to leveraging my expertise in programming and problem-solving to contribute effectively to team projects and organizational success.

SKILLS AND STRENGTHS

- **Java Programming** -Good in Java

- **MySQL** - Familiar with MySQL for basic database management tasks.

- **Python Programming** – Familiar with Python

- **Multi-Tasking -** Able to manage multiple tasks simultaneously using organizational tools and techniques.

PROJECTS
PARKING MANAGEMENT SYSTEM

- Developed a **Parking Management System (PMS)** using **Python** with **Tkinter** for the GUI and **SQLite** for database management. The application enables users to register, log in, and book parking spots, while also providing functionalities to view parking availability and policies. Key features include user authentication, parking slot reservation, and dynamic slot availability checking.

EDUCATION
- **MCA**, KLS Gogte Institute of technology.(02/24)-(present)

- **BCA**, KLE's College of BCA RLS Institute, (09/2020)-(09/2023)

- **PUC**, Vidya.P.Hanchinamani PU Science College, (06/2018)-(05/2020)

- **SSLC**, Sri Kumareshwar English Medium High School, (06/2017)-(05/2018)

ACHIEVEMENTS
- Participated in a Hackathon event held at KLS Gogte Institute of Technology.
- Participated in a Technical Quiz Event Conducted in KLE College of BCA Belagavi.
