Project Details:

Project Title: "Job Portal for Blue Collar Workers"

Duration: 07-Dec-2024 to 07-Mar-2025

Acknowledged Achievements:

The job portal streamlines hiring by efficiently connecting employers with skilled blue-collar workers. Key features include job matching, an intuitive application dashboard, automated emails, and a user-friendly interface for workers with minimal digital literacy. It enhances employment accessibility, providing job opportunities for underprivileged communities.

Impact Assessment:

The platform positively impacts both workers and employers by reducing unemployment, empowering job seekers, and driving economic growth. It bridges the gap between businesses and a reliable workforce while promoting social upliftment through better job accessibility and fair wages.

Acknowledgment of Stakeholder Collaboration:

We extend our sincere appreciation to the MCA students for their dedication and commitment throughout the project. Their collaborative efforts have resulted in a project that aligns with our goals and values.
